Welcome!

Welcome to the South...

In a region known for its healthy climate and impressive landscape, its hospitality and warmth, its enjoyment and zest for life, the Südpfalz Therme invites you to take a very personal break. Surrounded by greenery, you will find a well-maintained thermal spa landscape and what is probably Germany's largest rooftop sauna garden.

Experience the regenerative power of the healing spring and let yourself be revitalized by the soothing, sparkling water attractions with a view of the surrounding nature.

Regionally designed themed saunas take guests on a soothing journey through the Southern Palatinate. Surprising extras and stylish relaxation areas perfectly round off your break from everyday life.

In the therapy and wellness area, everything revolves around YOUR well-being: alone or as a couple, relaxed or active... Here, your body is in the best hands. Or why not enjoy the salty air and calming atmosphere in the original Dead Sea salt cave and take a deep breath...

And what would a perfect day of well-being be without the appropriate culinary offerings? In the thermal baths or sauna, indoors or on one of the beautifully landscaped terraces, you can indulge in healthy, fresh, and regional dishes from the Südpfalz Therme – even for external guests who are not visiting the thermal baths.

Where else can you float in warm water surrounded by nature with atmospheric lighting and enjoy a stylish atmosphere?

Information for people with walking difficulties and wheelchair users

All areas relevant for testing meet the quality criteria of the label "**Accessibility certified – accessible for people with walking disabilities and partially accessible for wheelchair users**".

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- There are five parking spaces for people with disabilities.
- The entrance has no steps or thresholds.
- The lowest point of the ticket counter is 75 cm high, and the passageway at the counter is 100 cm wide.
- All facilities accessible to guests are at ground level and can be reached via ramps or an elevator.
- All doorways are at least 90 cm wide, except for doors in the sauna area (at least 82 cm).
- Two restrooms for people with disabilities are available. These are located in the thermal baths (1st floor) and in the sauna area (2nd floor).
- The toilet in this restroom is accessible from both sides (at least 80 cm). Fold-down grab bars are available to the left and right of the toilet.
- The shower in the restroom for people with disabilities is accessible without steps. Grab bars are provided in the shower. A shower seat is available.
- To assist with entering the swimming pools, there are low steps with a handrail and a passenger lift.
- The salt cave is accessible via a short ramp with a 7% longitudinal slope behind the door. The floor is covered with salt, is uneven, and is not easy to walk or roll on. A mat is provided for wheelchair users to place their wheelchair on. The staff is happy to assist.
- There is a public restroom for people with disabilities that is accessible from one side (at least 80 cm). There are fold-down grab bars to the left and right of the toilet.

Information for people with hearing impairments and deaf people

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- There is no clearly visible alarm.
- There is a no audio induction loop system at the cash desk.
- An outgoing emergency call in the elevator is confirmed audibly.

Information for visually impaired and blind people

All areas relevant for testing meet the quality criteria of the label "**Accessibility certified – partially accessible for people with visual impairments**".

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- Assistance dogs are not allowed.
- All evaluated areas usable by the guest are bright and glare-free.
- The signage is designed in clearly legible and contrasting font.
- There are glass doors without safety markings.
- An outgoing emergency call in the elevator is confirmed audibly. The stopping position is not announced by speech.
- The first and last steps of the staircase have visually contrasting edges. Handrails are present on both sides.
- The pool edges are visually contrasted. There are flat steps with handrails as aids for entering the swimming pools.
- Information is not available in Braille or prismatic writing.

Information for guests with cognitive impairments

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- The name of the Thermal Bath is clearly visible from the outside.
- There is an uninterrupted guidance system, but no colored or pictorial guidance system.

Information on the "Tourism for All" labeling system

All establishments and locations certified with the label "Tourism for All" meet the following quality criteria:

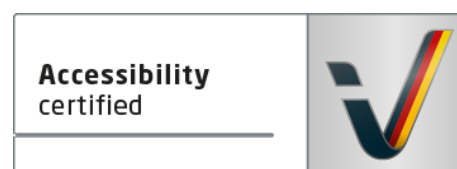

- Data and information on accessibility are collected and checked on site by **external, specially trained evaluators**. The method is not based on self-assessments.
- Data on accessibility is available **in detail** and can be viewed by the guests.
- At least one staff member has successfully passed a **training** on "**Accessibility as a comfort and quality feature**".

The labeling – explanation of the logos and pictograms

The label "**Information about Accessibility**" indicates that detailed and verified information on accessibility is available for all groups of people.

The label "**Accessibility certified**" is based on "Information about Accessibility". It means that the quality criteria defined for specific groups of people are met partially or completely.

The label "**Accessibility certified**" is available in two requirement levels:

"Accessibility certified: partially accessible".

The quality criteria are partially fulfilled for the pictured group of people, i.e. the establishment/location is partially accessible for wheelchair users. The "i" in the pictogram indicates that it is recommended to read again carefully whether the offer meets all (your oder the guest's) individual requirements.

"Accessibility certified: accessible".

The quality criteria are fulfilled for the pictured group of people, i.e. the establishment/location is accessible for wheelchair users.

There are defined quality criteria for **seven groups of people** and a **specific pictogram** for each group.

People with walking disabilities

Wheelchair users

People with hearing impairment

Deaf people

People with visual impairments

Blind people

People with cognitive impairments
